B.B(I).a P. W. D.

Mr. N.D.Lalvani is one of the candidates recommended by the Bombay Public Service Commission for appointment as tempy. Dy. Engrs., in the B.B.E. class II (temporary cadre). He has been appointed as temporary Dy. Engr., on a starting salary of Rs. 300/- p.m. and allotted to the Housing Organisation.

2. For the reasons given in his letter at p. 5 ante, Mr. Lalvani states that the starting pay offered to him is too low and requests that the question of starting pay may be reconsidered. The main reasons advanced by Mr. Lalvani are as follows:-

(1) In the Sind P.W.D. he was drawing Rs. 300/- p.m. in permanent pensionable post and as such he would not mind accepting the same pay of Rs. 300/- p.m. if his previous services were counted towards pension.

(2) Some of his juniors in the Sind P.W.D. have been given higher starting pay by this Govt. It may be stated in this connection that the starting pays offered to the candidates recommended by the Comm. have been fixed in accordance with the formula divised by Govt., subject to the following conditions:-

(a) those who have asked for higher starting pay than what they are eligible according to the proposed formula should be given the pay that is admissible to them in accordance with the formula;

(b) Those who have asked for less pay than what they are eligible according to the proposed formula should be given what they have asked for;

(c) those who have not given any indication of about their pay should be given the minimum of the scale.

(d) Departmental men (overseers pay promoted) should be given pay according to B.C.S.R.S. Mr. Lalvani is a graduate of the year 1929 and according to the set formula he

is entitled to the starting pay of Rs. 400/- p.m. However, at the time of his interview with the Commn. he has asked for the starting pay of Rs. 300/0 p.m. He has therefore, been given the starting pay of Rs. 300/-p.m. i.e. Rs. 295+Rs.5 to be absorbed in future increament to which he is eligible in accordance with the condition (b) even though he is entitled to the starting pay of Rs. 400/- p.m.

Regarding the pay of Mr. M.J.Bhatia, referred to by Mr. Lalvani in the letter at p. 5 ante, it may be stated that Mr. M.J.Bhatia is a graduate of the year 1931 and is, therefore, entitled to the starting pay of Rs. 370/- p.m. in accordance with the set formula at the time of his interview with the Commn. Mr. Bhatia has asked for the starting pay of Rs. 400/-p.m. As this pay is not admissible to him according to the set formula he has been given Rs. 370/- p.m. to which he is eligible for admissible accordance with the condition (a).

It will be seen from the above that the pay of Rs. 300/- offered to Mr. Lalvani is in accordance with the principles laid down by Govt. for fixing the pays of the candidates recommended by the S.P.S.C. for the posts of tempy. Dy. Engrs. Having once asked for a salary of Rs. 300/-, it does not seem proper on his part to raise his bid after seeing that other are offered more. If this is accepted it may lead to similar request from there similarly placed.

3. As regards the question of counting the service put in by Mr. Lalvani in Sind for the purpose of pension it has been decided that in the case of non-muslims who were in employment under Govt. in Pakistan, their previous service under Govts. in Pakistan will not count for pension, Provident Fund or leave unless the respective Govts. concerned pay to this Govt. proportionate contribution of that service. It may be stated in this connection that the Pakistan non-muslim

refugees....

refugees from Pakistan who have been appointed as Temp. Dy. Engineers are taken up in service under this Govt. purely as a temporary measure. Moreover, it is also unlikely that the Govts. in Pakistan will agree to pay the requisite amount in respect of the persons who were in service under those Govts. in order to enable this Govt. to count their services for the purpose of pension.

6. In the circumstances stated above, Mr. Lalvani may be informed that his request for the higher starting pay than Rs. 300/- p.m. offered to him can not be granted. The necy. draft is put up for appl.

Subject:- State Transport afeation of-P.W.D. Division and Sub Divisions undeer the Executive Engineer, S.T.

The Government in their G.R.H.D.No.6785/5 dated 12/3/49 have sanctioned three Sub Divisions and H.P.C. under its resolution No.182 has sanctioned one more Sub Division for Bombay Works under the Executive Engineer State Transport Bombay. But no even one Sub Division has been yet opened as no Dy. Engineers are yet appointed. I learn that about 90 persons have recently been selected by the Public Service Commission Bombay for the posts of Dy. Engrs. I, therefore, request you to ~~xxxx~~ please move the P.W.D. to depute four Dy. Engrs. for above Sub Divisions, preferably old hands with sufficient experience, because this is a new organization and esperienced hands are therefore, required who may be able to carry on with new ~~xxxxxxx~~ staff under them. We are working under very great difficulaties due to ~~xx~~ lack of sheds at various centres. Without sheds it ~~xx~~ is impossible to ensure proper services and repairs. If some experienced Dy. Engrs. are spared by P.W.D., this branch of work which has suffered so long could be improve with some tangible results. If P.W.D. can not spare all the four Dy. 3. From the H.D. U.O.P. at p. 9 ante it will be seen that the P.W.T.C. requires 4 Dy. Engrs. preferably old hands with sufficient experience because it is a new organisation and hence experienced staff is necy. to carry on with the new staff that may be under them. The P.W.T.C. has suggested that if the Dy. Engrs. from regular cadre can not be spared, those recommended by the P.S.C. may be sent.

4. The P.S.C. has recommended 50 candidates for the posts of temp. Dy. Engrs. and not 90 as stated in the P.W.T.C's letter. Out of them 3 candidates, Mr. M.P.Phadke, Mr.F.J.Cox and Mr. V.K.Chavan, were allotted to the State Transport. Mr. Phadke has been declared medically unfit and Mr. Chavan has since informed that he is not interested in the post given to him. The remaining candidate Mr. Cox has been posted to the C.C. for undergoing necy. training

in P.W.D. Procedure, Accounts Rules etc. It is decided in case if the rank outsiders he will be subjected to a test at the end of three months and will be allotted to the State Transport thereafter.

5. The P.W.R.D. therefore, requires 3 more candidates. As all the candidates recommended by the P.S.C. for temp. Dy. Engrs. posts have been already allotted to several circles and other Deptt. Organizations as it does not seem possible to make any more candidate available to the P.W.I.C. from those selected by the P.S.C. The Lab. Deptt. who wanted two Dy. Engrs. was recently informed that no candidate is available with us for being allotted as Dy. Engrs. It is for consideration whether the H.D. may be informed accordingly in view of the position explained above.

6. It is not known that what other staff is required by the P.W.I.C. The H.D. has stated the the P.W.I.C. will be asked to specify the staff required by him if we agree in pr principle (vide A on p. 7 ante) to spare the required staff. Presumably they may be requiring Overseers, draftsman etc. In view of the acute shortage of trained staff, it seems doubtful whether many experienced staff can be spared. It may, however, be suggested that the P.W.I.C. may contact the S.E. C.C. in this matter. If this is approved, these papers may be returned to U.O. N to H.D. with the above note.

Id/-
18-11-49.

The demand for experienced staff of the P.W.D. by other Deptts. has been on increase. P.W.D. itself has been experiencing the shortage and of experienced and qualified Dy. Engrs. to man the large number of Sub-Divisions existing at present, in the P.W.D. The needs of the State Transport are also pressing. We may therefore, request the S.Es., C.C. and K.C. to spare one Dy. Engr. from each of these circles, for being denuted to the State Transport. These two Dy. Engrs. will be in addition to Sr. Gen. The P.S.C. recommended candidate who is earmarked for being posted in the State Transport.

Id/-
18-11-49. D.S.

We must infrom the other departments that we have no more staff to spare for their works an our works also need technical personnel, which is in short supply. Unless this position is made clear, it is likely to create trouble in the smooth and officiant working of the P.W.D. Everyone wants good, efficient and experienced men. There are not many satisfying these specifications and if all of them or even a majority of them are released for work in other Deptts. the parent department will be left with only mediocres it will never be possible to run the department satisfactorily or with any degree of officiency. The C.E. will like to make this point clear.

Id/-
20-11-49.

We may agree to spare staff (Ex. Engr., Dy. Engrs.,) Overseers, draftsmen etc.) for other departments like State Transport for works which would otherwise fall to be executed by P.W.D., provided the works are such as to require full time services of the staff in question. In other cases, the work of P.W.D. is liable to be dislocated if staff is spared.

In case of the State Transport, further enquiry may be made as to the number and cost of works and on what district regions they are to be executed.

It does not really affect the men-power position in the P.W.D. if in the cases contemplated we spare staff along with the work they would do normally, and place them at the disposal of other depts. subject to technical control of P.W.D. officers. Such deputation saves time or correspondence (between P.W.D. and Depts.) and expedites execution of work. We must however, guard against or relaxation of accounts procedure and of audit rules. Nor does this deputation connote that the Deptt. is to exercise technical supervision or scrutiny over P.&E., tenders, measurements of work and a technical matters.

Subject:- Loan of services of Dy, Engrs. to State Transport

The P.M.T.C., Bombay, has asked for the loan of services of four Dy. Engrs. with sufficient experience from the regular P.W.D. for employment in the State Transport Organisation. Govt. considers that it would be in the interests of this Deptt. to have its men deputed in the State Transport to look to construction of buildings. You are therefore, requested to suggest one name of a suitable Dy. Engr. from your circle, giving the details of his pay, experience, etc. A competent offg. Dy. Engr. with sufficient experience will also do.

Submitted with refs. to G.L.No. 9859/36-B(I), dated the 23-12-49 and the notes underlying it.

2. The S.Es., South Gujarat Irrign., Central and Eastern Circles were requested to suggest one name of a suitable Dy. Engr. for being deputed to the State Transport. The S.Es., Central and South Gujarat Circles have expressed their inability to suggest any Dy. Engr. from their Circles for the State Transport.

3. The S.E., C.I.C. suggests the name of Mr. S.D.Shah. The S.E. states that Mr. Shah being experienced in all Branches of Civial Engineering works, will be suitable for the purpose. Mr. Shah is earmarked for the S.T.C. and attached to the C.I.C. to undergo training in the P.W.D. Procedure & Accounts Rules for a period of three months. It has been decided seperately that a common test of 7 such candidates, including Mr. Shah, should be taken on 24-1-50 On passing the test, these candidates will become available for being appointed as temp. Dy. Engrs.

4. The S.E., E.C. suggests the name of Mr. A. K. Deshpande. The S.E. states that Mr. Deshpande has got sufficient experience in Roads, Buildings and Project Works. The S.E. further states that, if Govt. accepts the deputation of Mr. Ramachandra Deshpande, he may be transferred early in April 1950, as the financial year is drawing to a close. Mr. Deshpande was recommended by the P.S.C. in 1948 for apptt. as temp. Dy. Engr.

5. It is for orders whether Mr. S.D.Shah may be allotted to the State Transport after passing the test. It is also for orders whether Mr. A. K. Deshpande may be deputed to the State Transport and if so, from what date.

6. It may be mentioned here that Mr. F. J. Cox, who was earmarked for being deputed to the State Transport and attached to the C.I.C. for undergoing necy. training, has since intimated that he is not willing to accept the offer of the post of temp. Dy. Engr. The question of his

apptt. as a temby. Dy. Engr. under this Govt. has, therefore, been dropped.

Please see this Deptt. notes on H.D. File No. 6785/5/69005, which was returned to that Deptt. on the 20-12-49. It will be seen there-from that the H.D. wanted 4 Dy. Engrs. for state Transport.

2. After considering the reports recd. from the local officer it has been proposed to allot Mr. S.D.Shah, Tempy. Dy. Engr. to the State Transport, after he passes the necy. test to be taken on the 29-1-50. It has also been proposed to depute Mr. A.K.Deshpande, tempy. Dy. Engr. in the E.C., to the State Transport from the 16-4-50. Thus only two Dy. Engrs. are available at present for being lent to the H.D.

3. This note may be shown u.o. to the H.D. for remarks, if any, before the necy. orders are issued in the matter.

In our U.O.R. No. 9859/36, dated the 20-1-50, the H.D. was informed that two Dy. Engrs., viz, Messrs. S. D. Shah and A. K. Deshpande, were available for being lent to the State Transport Organization. That Deptt. was also requested to offer remarks before the necy. orders were issued in the matter. As nothing has been heard from the H.D., it that Deptt. may be requested U.O. to report whether these two Dy. Engrs., who are still available for being lent to the State Transport, are required by that Deptt.

2. The H.D. may also be requested to treat this refo. as Very Urgent.

Mr. H.G.Doshi was recommended by the B.P.S.C. in 1949 for appointment as tempy. Dy. Engr. Accordintly he has allotted to the El. Grid for apptt. as tempy. Dy. Engr. vide G.L.No. 9859/36-VI-E(I), dated the 6/10/49. Prior to his apptt. as tempy. Dy. Engr., Mr. Doshi was working as a Jr. Engr. in the El. Grid since 24-7-1947.

2. Mr. Doshi in his letter under disposal states that when he applied to the B.P.S.C., has had asked a starting salary of Rs. 340 in the B.S.E.Class II scale.

3. In the batch in which Mr. Doshi has selected there were some outsiders to whom Govt. has sanctioned higher starting salaries according to their experience, i.e. the year of graduation. To those who passed before 1929 Govt. has given a starting salary of Rs. 400. Mr. Doshi has passed his B.E. in 1919. However he being already in Govt. service has pay was regulated according to the B.C.S.Rs.

4. In the past there were two similar cases viz. those of Messrs. N. R. Pochara and N. H. Rage, in which the F.D. has advised that in such cases the following two courses are open to Govt. in the matter of fixing the pays:-

(i) to treat the employee as promoted to class II post in which case the pay should be fixed according to B.C.S.Rs.

and

(ii) to treat him as a direct recruit in which case his pay can be fixed in accordance with the formula adopted in such cases. But he would forego all claims to the lower post as well as all previous service and come on the same footing as a direct recruit.

5. If Mr. Doshi is agreeable to the second alternativ mentioned above his pay can be fixed at Rs. 340 p.m. (as asked for) from the date of his apptt. as tempy. Dy. Engr. It is for orders whether an enquiry may be made about this. If so, the papers may be refd. u.o. to the F/ D. before the necy. draft is put up.
